

RUSHCLIFFE
WELCOMES THE
**TOUR OF
BRITAIN**

EAST LEAKE TO WELCOME INTERNATIONAL CYCLISTS IN THE COUNTRY'S PREMIER ROAD RACE

East Leake has been chosen to be on the route of the 2018 top ranked Tour of Britain Cycle Race. The event will be travelling through East Leake on Saturday 8th September. The event will be televised live throughout the route which means the village will be seen in many countries.

Rushcliffe Borough Council feels that Parish Councils in Rushcliffe will want to welcome the OVO Energy event passing through their village and have suggested that to mark this villages decorate the route.

As a trader/resident in the Village the Parish Council are holding a competition in conjunction with Nottinghamshire County Council on the best decorated shop window, business and front garden based on a 'cycling theme'.

Ideas for decorating are:

- Yellow and Green knitted jersey bunting
- Yellow painted bikes
- Land Art
- Scarecrows
