

EAST LEAKE PARISH COUNCIL, ELPC

Wishes to inform you about the Annual General Meeting of

East Leake Playing Fields Charity, ELPFC

To be held on Monday 10th June 2019 at 7 for 730pm

At the Sports Pavilion, Costock Road, East Leake

In a new collaboration ELPC and ELPFC are seeking to recruit new people to get involved with

- running the Sports activities, e.g. a football team for a young age group
- managing the premises, lettings to clubs and for events
- developing new facilities – plans approved for new building, fundraising underway

The existing trustees manage the pitches and operate the Charity but need more active people to assist the over-burdened team representatives who have enough to do, helping with their sons and daughters sporting endeavours

If you would like to get involved please come on the night or contact the Parish Council to offer your time and experience
