An estimated timetable is below but these timings may vary.

<u>Activity</u>	<u>Disruption</u>	<u>Estimated date and time</u>
Mobilisation	Medium	24/12 22:00 to 25/12 06:00
Demolition	High	25/12 06:00 to 26/12 00:00

We understand that working by your property overnight during the Christmas period is far from ideal, but we are obliged to work on the railway at times that cause least disruption to trains. Unfortunately, this means carrying out a lot of our work at weekends, bank holidays or overnight. We hope this information is helpful and apologise in advance for any inconvenience this essential work causes. However, if you have any additional questions or concerns, please visit www.networkrail.co.uk/livingbytherailway or telephone our **24-Hour National Helpline on 03457 11 41 41**.
